

EFSA
Shaping the Future
of Food Safety, Together

EFSA held its 2nd Scientific Conference

in **MILAN ITALY on 14-16 October 2015** in the context of [World EXPO 2015](#)

The conference included outstanding invited presentations, several hundred posters and over 900 participants.

The SAFE consortium presented a poster,

"Keeping food safety challenges on current and future agendas: The European Association for Food Safety, SAFE consortium" in the session **Expertise for the Future.**

Our poster received a lot of attention and the SAFE presenter, Hrönn Ólína Jörundsdóttir, had a constant stream of visitors. A very broad range of food safety professionals including representatives from official research institutes, many university academics and members of the food industry were interested in the SAFE consortium poster.
